

ORIENTAL DAYDREAM

When we created the Geisha Special Edition we had so many additional ideas using Asian themes that we decided to create The Oriental Daydream collection as well. The Oriental Daydream Special Edition is similar to our first two Special Editions, Victorian Roses and Pansies and Parasols. This collection has the versatility to create a multitude of projects. There are two main projects that we created with this collection, both of them 64 block quilts. They are spectacular when completed. There are also patterns included for 36 block and 16 block quilts as well as plenty of pillow projects. The collection has a total of 20 unique fully stitched blocks, 12 blank blocks and 50 isolated individual designs. There are countless projects you can create using these designs.
