

Santa for all Seasons

48 Designs

Full Collection

What does Santa do the rest of the year? You will find out when you embroider this collection. We designed a different Santa Claus for every day of the month. Each Santa comes three different ways, a large applique Santa for the 6"x10" hoop, a smaller applique version for the 5"x7" hoop and a stitched version for the 5"x7" hoop. We have also included a corresponding banner for each month of the year for you to further embellish your projects. For this project we created an interchangeable wall hanging. It is actually a simple quilt background but instead of stitching the Santa's directly to the fabric we stitched them on separate pieces of fabric and then buttoned them onto the quilt background. This way you can use the same background and switch the Santa's as the seasons change. If you have never created applique before don't be afraid to try, there is a Home Decor tutorial located in the tutorials folder on the CD-Rom. Applique is one of the topics discussed in that tutorial. We hope you enjoy embroidering these whimsical Santa Designs!
