

# Vintage Accessories

If you love the in the hoop designs you will love the new Vintage in the hoop accessories. There are four different projects with two design variations. Unlike the other in the hoop projects this collection combines embroidery with in the hoop projects. There is a tissue holder, scissor holder, eyeglass case and purse. This collection comes with a full tutorial PDF file that shows you step by step how to complete the projects.

**Create these projects without sewing!
