

# Mix & Match Quilting

by Anita Goodesign

Full  
Collection

When we were designing this collection we wanted to create a look that was created by hand while being completely done on your embroidery machine. This collection went through a lot of revisions and color changes before this end result was achieved. We finally decided on a gold and silver tonal color combination. These colors make the designs look luxurious and vintage. The 20 main designs come in blocks and as individual designs. The blocks all include beautiful hand stippling and gorgeous borders. There are also folded fabric blocks, running stitch blocks and blank blocks included in the collection. Whatever type of quilt you want to create we are giving you plenty of options.

## Blanket Stitch Christmas Blocks

This collection was designed to be compatible with all  
Anita Goodesign Mix & Match Collections.

20 main designs come in blocks and as individual designs- 3 border/ transitional blocks: folded fabric, running stitch and blank blocks. Blocks come in 5", 6", 7" and 8" so they are fully interchangeable with all Mix & Match collections.
