

Anita Goodesign™

PROJECTS

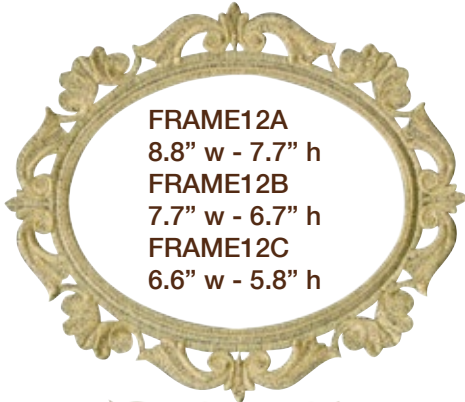

These Fancy Frames will allow you to display your favorite pet or picture! Use printable fabric and your computer to print your favorite photo onto fabric.

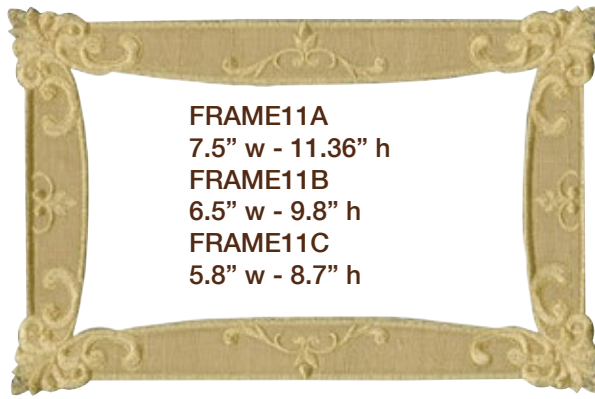

Use the printed fabric or fussy cut decorative fabric to use as the center applique. The frame uses silk or satin fabric and metallic thread for extra shine and sparkle. This one of a kind pillow is a great addition to any decor!

*Fancy Frames*

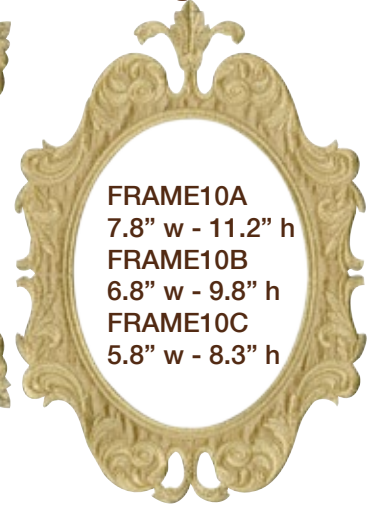

**12 unique frame designs in 3 sizes each.  
Includes instructions for printing your photos to use in frame designs.**
