

HQ STUDIO FRAME

DESIGNED BY A QUILTER, FOR QUILTERS™

Handi Quilter® is a leading manufacturer of longarm quilting machines, systems, and quilting accessories. Made of high-quality steel, the HQ Studio Frame is a robust, professional-grade table and frame system for your home studio.

THE PROFESSIONAL FRAME FOR THE HOME STUDIO

At Handi Quilter, we pride ourselves on being responsive to our customers. While our other table and frame systems were designed for portability the HQ Studio Frame was created to give you a rock-solid quilting platform, meant to be set up to your specifications and then left alone. You've asked for it and now you're going to love this frame system! ~ Mark Hyland, CEO
