

# 4400SW

## SINGLE NEEDLE LOCKSTITCH, WALKING FOOT

For heavier work, the most common type of sewing machine is the single needle, walking foot lockstitch machine. Top and bottom feed, and a higher foot lift allows it to sew from medium to heavy weight fabric.

For sewing leather, upholstery, canvas, and synthetics, the 4400SW offers the whole package. Low noise and vibration design, outstanding build quality and reliability and the industries #1 DC servomotor.
