Special Edition Pansies & Parasols

Introducing Pansies and Parasols, our second Special Edition design collection. What looks like an extremely difficult quilt to create is simply multiple embroidery designs stitched together. Each of the individual quilt blocks are created entirely in your hoop! There is absolutely no piecing of fabric on any of the multiple projects included with the collection. This collection has unlimited options. There are fully stitched blocks, running stitch blocks and even blank blocks. Each of the different blocks comes in 4 different sizes and mirrored versions. There is absolutely no editing needed on your part to create the projects: Simply embroider the designs with your choice of fabrics, then sew the blocks together to form your quilt or pillow; it's that simple! To make it even easier, we are including a 64 page printed booklet with this collection.

Blocks come in 4 sizes: 4.8", 5.8", 6.8" and 7.8"
