

3D Flowers

12 Flowers Total

Mini Collection

Make beautiful flowers with this fun and easy project!

If you love flowers you will love this collection! We have created 12 different 3 dimensional flowers that you can add to a multitude of items. They are very easy to create with the step-by-step photo tutorials for each of the flowers. The tutorial will give you tips and ideas on creating these beautiful designs as well as ways to use them on all types of items.
