

Vintage Collection

Welcome to our newest Vintage Collection titled Christian Cutwork. There are 8 beautiful cutwork medallions in this collection and each medallion has a different cutwork corner. As an added bonus, we re-created all of the cutwork medallion designs into a stitched version with no cutwork. The stitched designs each have a different corner design as well. There are 2 different sizes of each medallion and the corners have been re-sized and rotated so you don't have to do it! There is a complete tutorial on how to create these beautiful designs.
