

# Tea Party

29 Designs

## Mini Collection

Tea for two! This sweet collection is perfect for creating a tea party for your little one. There will be teddy bears, bunnies and ducks as your tea party guests along with tiny tea cups, cupcakes and even a bowl of strawberries ready for applique. You will absolutely love picking out your fabrics for this project. It's tea time; so sit back, have another sip of tea and start embroidering!
