

Song Birds

64 Designs

Full Collection

The Songbirds collection is like 2 design sets in one! The first part of the design is 14 realistic and hand shaded songbirds perched on branches and ready for any project you can think of. The second part of the design is a 12 block tile scene that combines all of the birds in one beautiful arrangement. The 12 block tile scene comes in 3 file sizes; from 6.7" x 7.2" at the largest to 4.8" x 5.1" at the smallest worth the effort! The unique part of this collection is the stippling. Stippling is no easy to do free motion so we decided to add it to the designs. The tutorial will demonstrate how to create the blocks using Warm and Natural Stabilizer in your hoop for a true quilted look.
