

Baby Butterflies 2

Baby Collection

30 Designs

How can anyone resist these beautiful colorful baby butterflies that are being released just in time for spring. We used a variety of cotton fabrics to create these cute designs and embroidered them all on a pink background. We used the 9-block quilt pattern and then we embellished the quilt with gingham ribbons. In addition to the quilt we also created a cute wall hanging using the same fabrics and ribbon. No matter what project you place these baby butterflies on it is sure to be an instant hit!
