

Sleigh Ride

48 Designs

Full Collection

Sleigh Ride is the follow-up collection to Floral Tile Scene. Both collections were created in the same fashion, using twelve separate embroidery designs to create one large scene. "Floral Tile" was such a huge hit that it was only natural for us to come out with another "scene" collection. Now we offer the scene in a third size for those of you with 6"x10" hoops. Sleigh Ride is not a "Christmas" collection per say, there are no Santa's or elves, it's just a beautiful winter scene for all to enjoy.
