

# Quilter's Snowflakes

15 Designs  
in 3 Sizes

## Mini Collection

We created these lovely quilted snowflakes to go along with our other quilting collections. They look beautiful on their own or added to any existing quilt. There are 15 different snowflakes in three different sizes for all of your hooping needs.

The files are all formatted the same with files labeled "A" for the 4"x4" hoop, "B" are for the 5"x7" hoop and "C" are for the jumbo hoops. We've included the tutorial from our Quilters Paradise collection for you to use with these snowflakes.
