Exclusive downloadable embroidery designs, just for Brother™ customers.

Introducing **iBroidery® Download Center**, the ultimate online retail embroidery design experience. Purchase thousands of designs—some of which have never been offered before—all at a price you'll love.

Get exclusive, downloadable licensed designs from Disney®, Disney®/Pixar, Nickelodeon™, Morango and Anita Goodesign. Plus, you can reach into the Brother™ design library and retrieve limited edition designs!

Download only the designs you want—no subscription required, and no need to purchase an entire collection of designs!

Easy to navigate and use—iBroidery® Download Center allows you to customize your online experience:

- Create a personal file to include your machine information, contact and dealer preferences, and more.
- Create an online archive for the patterns you've purchased as well as a wish list of ones you'd like to buy in the future.

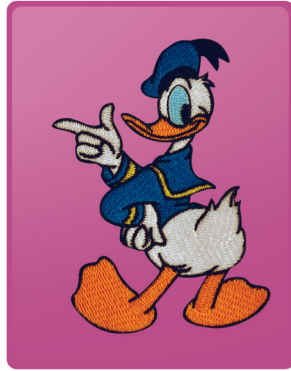

Visit www.ibroidery.com today to see how easy and fun downloading embroidery designs online can be!

To start shopping, have your Brother machine model number, serial number and identification number, as well as the name of the retailer where you bought your machine.
