

eXcellence 790PRO & 792PRO

semi-professional computerized sewing machines

NEXT-GENERATION SEWING AND BEYOND

Our breakthrough model now comes in two versions. With enhanced capabilities, the new eXcellence 792PRO will meet the highest expectations of both sewists and quilters. Both models offer amazing space, prodigious power and unlimited technical and creative possibilities:

- flat-bed design inspired by professional machines and full aluminum construction
- extra-large sewing area and wide 7" high-definition, color touch screen
- powerful motor with up to 1300 stitches/min. and strongest needle penetration

INTELLIGENT FEEDING AND AUTOMATION FOR PERFECTION

Next to a feeding system providing highest accuracy and easier control, automated functions will assist you to boost perfection, performance and ease-of-use:

- automatic control of presser foot lifter and of foot pressure with fabric sensor
- ADF system with automated dropping of feed dogs when presser foot rises for smooth positioning of fabric
- fully integrated Dual Feed system with own motor and on-screen balancing
- digital needle-plate conversion
- advanced optical bobbin sensor

EXPERIENCE FREE-MOTION TECHNIQUES AS NEVER BEFORE

Our fantastic **Accurate Stitch Regulator** equips the eXcellence 792PRO as a standard device. This innovative system greatly facilitates free-motion sewing and quilting by adapting the speed to the movement of the fabric.

You will enjoy regular stitch length and precise results with free-motion techniques, as well as with ruler work.

The ASR comes with **4 presser feet** in the standard accessory package, which cover a broad range of free-motion techniques, as well as **ruler work**.

eXcellence 790PRO & 792PRO
