

# JANOME

## AQS2009

Celebrate Quilting with Janome and AQS

# AQS2009

Janome is proud to commemorate the American Quilter's Society's 25th anniversary with the AQS2009.

**Also Included: Hard Cover (\$35.00 value)**

Janome appreciates the contribution the American Quilter's Society has made in bringing national recognition to the craft and artistry of quilting, and the AQS2009 reflects the high standard of quality that both Janome and the American Quilter's Society have helped establish in the quilting industry.

20 Stretch, Quilt and Utility Stitches including a one-step sensor type buttonhole for perfect buttonholes every time.

**Memorized Needle Up/Down**  
Automatically end each seam with the needle either up or down. Perfect for turning corners.

**Lock Stitch**  
Automatically locks your stitch at the end of seam.

**Reverse Stitch**  
Just press the button to quickly reverse the direction of your stitches.

**Start/Stop Button**  
Allows sewing with or without using the foot control.

START  
STOP

**Built-in Needle Threader**

Customize our stitches to the perfect width and length.

**Built-in Needle Threader**  
Hook the thread across the threader and it pulls through the needle. No more squinting.

**Carry Handle**  
This lightweight machine is designed to be easily carried to quilting clubs and sewing classes.

**Magnetic Type Full Rotary Hook**  
Delivers precise stitches on all types of fabric. The bobbin is easily inserted from the top, and your thread supply is visible through the clear cover.

Celebrate the spirit of the quilting community and the American Quilter's Society's 25th anniversary by taking home your own AQS2009. It's lightweight and compact- perfect for traveling to a guild meeting or class.

**Snap On Foot Change**  
Press the black lever to release the foot. To attach another foot simply lower the lifter and the foot snaps into place.
