

## Features and Benefits PFAFF® expression™ 150

150 Years of Unlimited Creativity!

### Features

-  **The Original IDT™ System.** Integrated Dual Feed system only from PFAFF® for over 40 years! Absolutely even fabric feed from both the top and the bottom.
-  **Large sewing space.** The sewing area to the right of the needle is super-sized for sewing large projects.
-  **A wide variety of beautiful stitches.** Select from 200 Stitches, including utility stitches, buttonholes, 9mm wide decorative stitches, quilt stitches, cross stitches and hemstitches.
-  **Dual lights.** Optimized bright lights illuminate your entire sewing area without shadows.
-  **Illuminated graphic display.** The graphic display shows the stitch in actual size and all important information.
-  **Free-motion mode.** Simply set the presser foot in the PFAFF® exclusive free-motion position for easy free-motion quilting and beautiful free-motion sewing.
-  **External feed dog drop.** Convenient location to lower the feed dogs from the front of the machine. Ideal for free-motion quilting, thread painting and darning.
-  **Extra presser foot lift.** Raises the presser foot to its highest position so that thick fabrics can be placed easily under the presser foot.
-  **Stitch positioning.** Moves complete stitch right or left to align decorative stitches.
-  **Easy-access stitch selection.** Stitch selection is simple using the Direct Selection Buttons.
-  **Automatic Tie-off.** Ties off automatically at the beginning and/or the end of a seam for a quick and easy finish.
-  **Needle up/down.** Set needle to stop up or down in the fabric for pivoting, appliqué and more.
-  **Stitch Restart.** Return to the beginning of a stitch or sequence without having to reset any special settings you've made.
-  **Twin needle program.** Enter twin needle size to automatically adjust the stitch width. See the twin needle stitch on the screen.
-  **Stitch width safety.** Limits stitch width to center needle straight stitch while using straight stitch foot to prevent needle breakage.
-  **Speed ranges.** Adjust the sewing speed for specialty threads, techniques or personal taste.
-  **Mirror image.** Flip the stitch side to side for even more creative possibilities.
-  **Languages.** Choose from 14 different languages in the Settings menu.
-  **Info Button.** Simply touch to see important sewing recommendations on the illuminated graphic display.
-  **37 needle positions.** For exact placement of your straight stitch.

-  **Integrated needle threader.** Makes threading the needle fast and easy.
-  **Large stitch plate.** Markings to the left and right of the needle help you guide your fabric.
-  **Snap-on/Snap-off presser feet.** Changing the presser foot is easy- no screws or other tools are needed- just snap it on or off.
-  **Top loaded bobbin.** Easy to access.
-  **Bobbin winding from the needle.** No need to rethread to wind bobbins.
-  **Permanent Reverse.** Your hands are free to guide your fabric.
-  **Sensormatic buttonholes.** Buttonhole columns are sewn in the same direction for precise stitch quality.
-  **Electronic Needle piercing power.** Full piercing power at any speed with total control.
-  **Button Ruler.** Quickly determine your buttonhole size with the help of the button ruler.
-  **Two built-in spool pins.** For twin needle sewing or specialty sewing.
-  **Accessory feet included.** 0A Standard presser foot, 1A Fancy stitch foot, 2A Fancy stitch foot, 3 Blindhem foot, 4 Zipper foot, 5A Sensormatic buttonhole foot, 5M manual buttonhole foot and free-motion/darning foot.
-  **The PFAFF® Anniversary Presser Foot Kit.** 5 extra presser feet included with the purchase of the machine for decorative effects.
