

Features and Benefits

PFAFF® select™ 150

150 Years of Unlimited Creativity!

Features

-  **The Original IDT™ System.** Integrated Dual Feed system only from PFAFF® for over 40 years! Absolutely even fabric feed from both the top and the bottom.
-  **A wide variety of beautiful stitches.** Select from 27 stitches, including utility stitches, buttonholes, 9mm wide decorative stitches, quilt stitches, cross stitches and hemstitches.
-  **Free-motion mode.** Simply set the presser foot in the PFAFF® exclusive free-motion position for easy free-motion quilting and beautiful free-motion sewing.
-  **Feed dog drop.** Ideal for free-motion quilting, thread painting and darning.
-  **Accessory feet included.** Standard presser foot, Clearview foot, Blindhem/Overlock foot, Zipper foot and Buttonhole foot.
-  **Electronic Needle piercing power.** Full piercing power at any speed with total control.
-  **Extra presser foot lift.** Lift the presser foot to its highest position so that thick fabrics can be placed easily under the presser foot.
-  **Easy-access stitch selection.** Quick and easy stitch selection using the Direct Selection Buttons.
-  **Bobbin winding from the needle.** No need to rethread to wind bobbins.
-  **Hard cover.** Protect your sewing machine when transporting it, and keep it dust free.
-  **Many needle positions.** For exact placement of your straight stitch.
-  **Adjustable sewing speed.** Choose full speed or half speed with a switch on the foot control. Set the speed that is right for you.
-  **“Extra-slim” free arm.** For adding ribbing to cuffs, sewing baby garments, or mending trousers.
-  **Swing away accessory tray with insert.** For storing accessories and bobbins.
-  **Snap-on/Snap-off presser feet.** Changing the presser foot is easy- no screws or other tools are needed - just snap it on or off.
-  **Two built-in spool pins.** For twin needle sewing or specialty sewing
-  **The PFAFF® Anniversary Presser Foot Kit.** 5 extra presser feet included with the purchase of the machine for decorative effects.
