Fabric Cutting Tips for a 2-color, 6" finished Wonky Heart block:

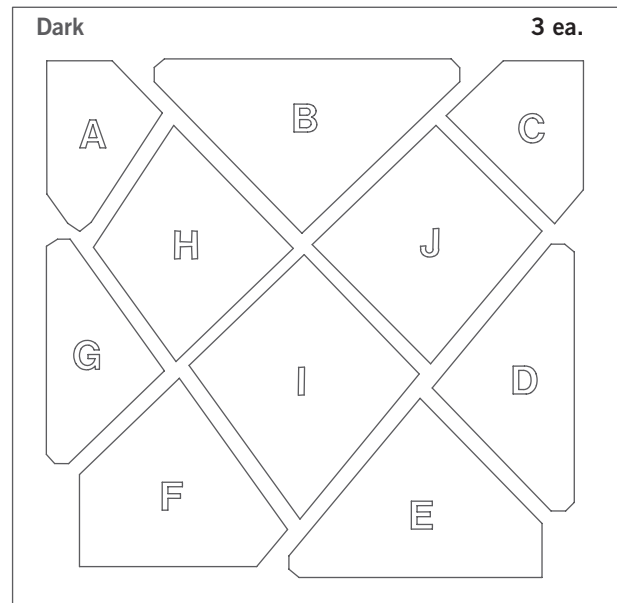

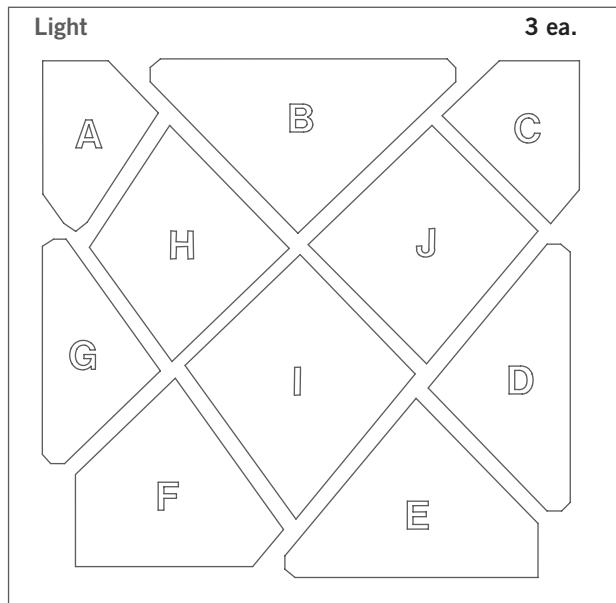

Place fabric over shapes then run through the cutter:

For best cutting results, position fabric on the lengthwise grain (straight of grain) as it goes under the roller. TIP: The die is specially designed to cut six 2-color, Wonky Star blocks in one pass through the cutter.

- **Fabric Color 1:** Cut three 9" x 8¾" rectangles and place over shapes A-J and cut.
- **Fabric Color 2:** Cut three 9" x 8¾" rectangles and place over shapes A-J and cut.
- **TIP:** For a 2-color design, four cuts across the width of fabric yield enough pieces for eight complete blocks. One yard of 40" wide fabric in each color will yield 16 blocks.
