## Embroidery Machine

### 9-1/2" x 14" Embroidery Field

Embroider larger designs without having to re-hoop your fabric with the 9.5" x 14" (240mm x 360mm) hoop.

### Needle Beam

Know exactly where your needle will drop every time with a brilliant LED pointer on the included embroidery foot.

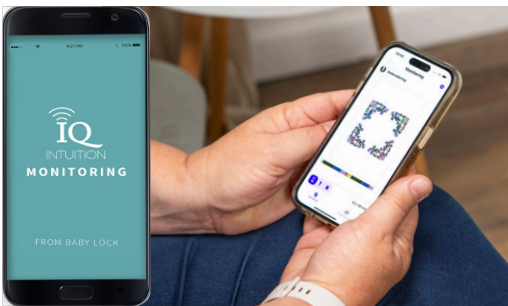

### 2-Point Positioning

Use the 2-point positioning function, with LED pointer, to preview the position of your embroidery design. Then, adjust the position and angle for precise alignment.

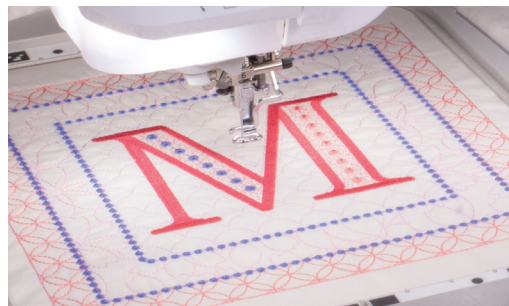

### 10.1" LCD Touchscreen

The large, color LCD vividly displays embroidery designs and makes it easy to change your machine settings.

### IQ Intuition Monitoring® App

Keep track of your project's progress with this convenient feature that alerts your phone when the bobbin needs to be changed, if a thread breaks, if a thread needs to be changed, and when stitching is done.

### Quilting Around an Embroidery Pattern

Add stippling, echo quilting, or any of the 30 Decorative Fill patterns from IQ Designer around a selected design. Line spacing, distance, and frame size are easily adjustable.

### Convenience Features

- LCD Color Touchscreen with touch pen
- Needle Beam
