Splendor™

8-Thread Serger

ExtraordinAir® Threading

With just a gust of air, ExtraordinAir instantly takes thread through all loopers. Threading has never been this fast, easy or extraordinary!

Automatic Thread Delivery™ System

With the ATD system on the Splendor, the exact amount of thread is delivered for all of your Overlock stitches regardless of the fabric thickness or the type of thread that you are using. Perfect results happen every time!

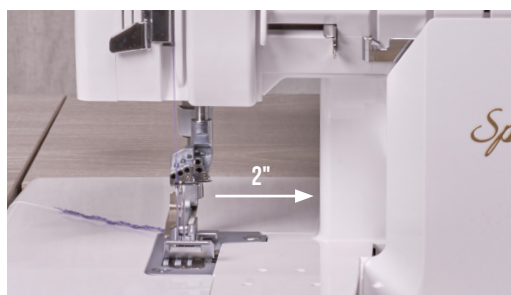

Deluxe Trim Bin

The included Deluxe Trim Bin slips easily into place for those times you are trimming fabric in overlock stitches. With its low-profile design, it affords easy access to all your adjustment dials.

Knee Lifter

Raise the presser foot by simply moving the attachable lever with your knee. This leaves both of your hands free for stitching.

Spacious Workspace -

2" to the Right of the Needle

With a spacious workspace, you can easily serge a large project or add decorative stitches to fabric creating a custom look that lets your creativity shine.

Chain/Cover Flat Sewing Table

With two sets of positioning screws on the included table, you'll have the perfect position for all your favorite attachments! Take advantage of being able to use the popular Knit/Woven Bias Binders and the Fabric and Hemming Guide, expanding your finishing opportunities for projects.

Advanced Serging Features

- Presser foot height adjustable up to 6mm
- Cover stitch narrow (left and right), wide and triple
- Chain stitch left, center, and right
- Overlock stitches for seaming, fabric edge finishing, and decorative applications
- Flatlock stitch for seaming and decorative accents
- Heavy duty cutting system handles thick fabrics with ease
- Automatic rolled hem stitch functions create a professional finish
- Adjustable stitch width dial: width range 1.5 - 7.5mm, up to 16mm wide on "expressive" stitches
- Adjustable stitch length dial: length range 0.75 - 4mm
- Dial adjustable built-in rolled hem
- Side thread cutter
- Up to 1,500 stitches per minute
- Presser foot pressure adjustment dial
