

Halo Go 2™

U25400

RECHARGEABLE MAGNIFIER

Fact Sheet

Designed for versatility, this portable and rechargeable magnifying lamp is perfect for a wide range of tasks requiring precision and detailed work.

Whether you're engaged in needlework, reading, painting, jewellery making, or other intricate activities, it delivers exceptional lighting and magnification to meet your needs. The brightness remains consistent for the full 8 hours. It can also be used as a high-quality light source with the safety cover closed, making it a practical tool for everyday use.
