## TABLE LAMP

UN1450

Fact Sheet

daylight

when light matters

Illuminate your workspace with our new and improved UnoPro Table Lamp. This bright and flexible lamp has high quality daylight LEDs and 95+ CRI to see detail and colors clearly as if you were in natural light. The anti-glare shade allows for a more ergonomic work environment, along with the pivoting head joint and soft touch flexible arm to direct the light where you need it. This lamp is easy to move around the house or take with you when travelling.
