Yarn Basket Design

The image below is a 100% size template for the Yarn Basket design. You can use it to place this design precisely where you want it on your garment or other item. Just print this page and cut out around the image. Place it in your hoop at the desired location and center your needle over the crosshair where all of the lines intersect.

Information about this Design:

Yarn Basket has been created using unique spiral fill stitches in the yarn balls, giving them a realistic appearance of yarn wound in a ball. An embossed fill pattern was used to create the basketweave pattern in the yarn basket, resulting in a design rich in character.

We used three complementary colors for the yarn balls, and the specific colors that replicate the look in the design image are provided on the following page.
