Happy Hearts

January 2022

Warm someone's heart with a quilted bowl cover embellished with a vibrant happy heart design. It doesn't matter if you have 4"x 4" hoop or a larger, 8"x 8" hoop as all embroiderers can make this joyful bowl cozy. Smaller hoops will find two designs: 4x4BowlCorner and HappyHeart, requiring several hoopings. Larger, 8"x 8" hoops will stitch the outer and inner fabrics in one hooping with two designs: 8x8HapHeartBowl and 8x8BowlOut. Let's get started.

Place the $\frac{1}{4}$ " mark of a quilter's ruler on the edge of the embroidery. Trim the excess fabric and batting leaving a $\frac{1}{4}$ " seam allowance around all edges.

Slip the tip of the scissors between the fabric and batting to trim away the batting from the triangular area on the side.
