

Q'nique 16X Elite Quilting Machine

The Q'nique 16X Elite Quilting Machine is at the top of the 16X series, and it continues the innovations of the other Q'nique X Series machines in a smaller, user-friendly machine that is prepared to elevate your quilting.

Capable of stitching up to 2,000 stitches per minute, this machine can power through any project with ease.

IMPROVED BOBBIN WINDER

This machine comes with a redesigned automatic bobbin winder with fill-level sensors and easy-to-use start and stop controls.

16" THROAT SPACE

ADDITIONAL LIGHTING

This machine is ready to give you more light where you need it most. The bobbin light lights up the hook assembly area while the LED throat lights create an even brighter, shadow-free workspace.

ELITE 7" TOUCH SCREEN

The large touchscreen display features helpful tools like a digital bobbin estimator and a new patented edge warning system to keep you from going outside of your quilting area.

Q'nique 16X Quilting Machine

The Q'nique 16X is an excellent entry the 16X series. With a motor that can run up to 1,700 stitches per minute, this machine can help you easily complete even the largest of projects.

BUILT IN SCREEN

The pre-installed 2.4" touch screen provides access to many of the same tools and features as the 16X Elite, including the patented edge-warning.

Q'nique 16X Manual Quilting Machine

The Q'nique 16X Manual is a manual-mode-only machine without stitch regulation that starts at an amazing price point for quilting enthusiasts. It can run up to 1,700 stitches per minute, making any project a breeze.

MANUAL SPEED MACHINE

The Q'nique 16X Manual offers excellent stitch quality with simple manual speed control. Move at your own pace and create detailed and intricate stitching.

The light-up speed gauge on the front of the machine lets the user know how fast the machine is stitching.

EASY TO UPGRADE

Designed with the future in mind, this machine can be easily upgraded to the 16X machine in a matter of minutes without ever needing to leave your home.
