

Worldwide Leader in Steaming Equipment Since 1940

Jiffy® Steamer Model J-4000A® Pro-Line Series

Engineered to last.

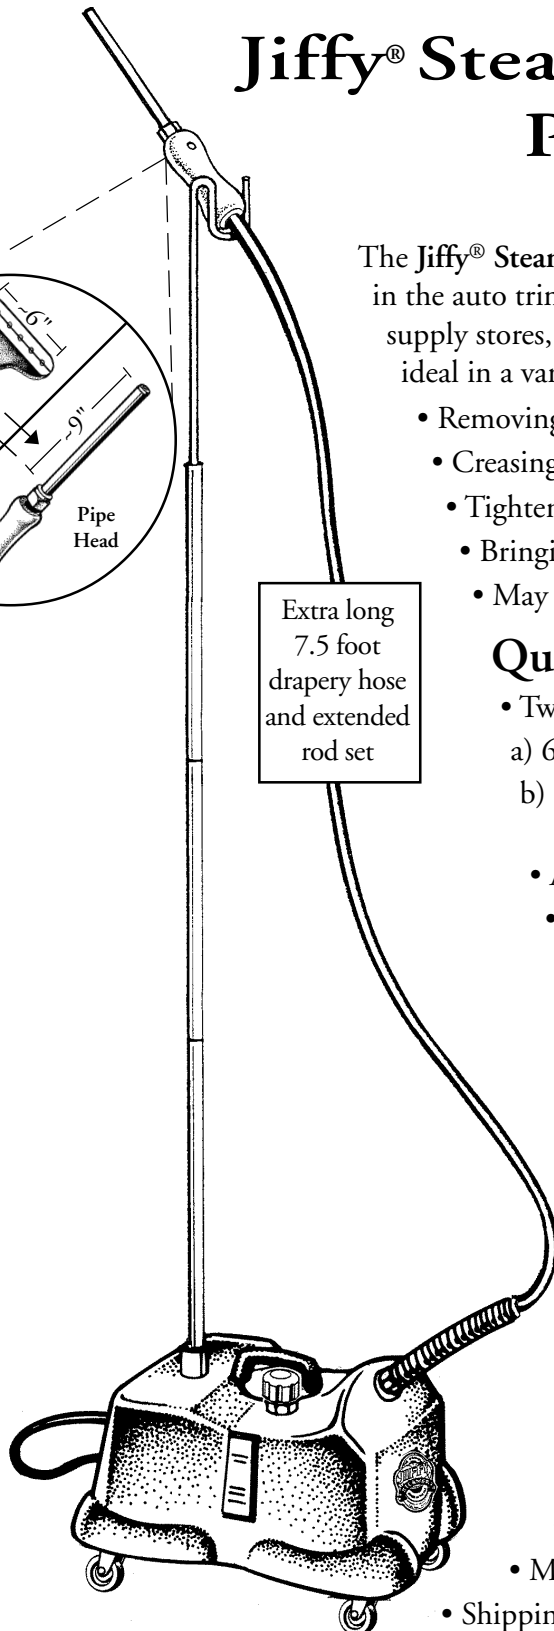

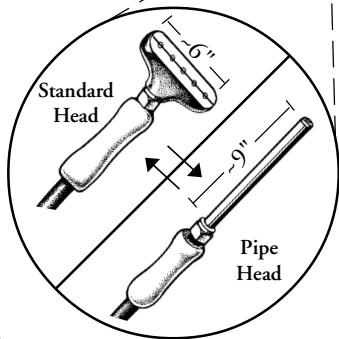

The Jiffy® Steamer Model J-4000A® is our professional grade system used in the auto trim industry, furniture upholstery businesses, industrial supply stores, rental outlets and supply houses worldwide. This unit is ideal in a variety of settings and applications, including:

- Removing wrinkles from most kinds of fabrics
- Creasing, stretching, shrinking, shaping and blocking fabrics
- Tightening seams
- Bringing new "life" to foam padding
- May be used on seats, carpets, headliners and convertible tops

Quality Features:

- Two interchangeable heads are standard with the J-4000A®:
 - a) 6" wide metal steam head for broad surfaces
 - b) 9" long pipe head to direct steam in a tight pattern for hard-to-reach areas
- All brass couplings
- Solid die cast aluminum outer housing for durability
- 1500 watt incoloy heating element
- 50/60 Hertz electrical system
- 304 stainless steel internal boiler tank
 - No water lines that could become clogged with hard water deposits
 - Sight gauge for quick view of water level and sediment build-up
 - Color-coded high temperature wiring
 - Convenient PREHEAT and STEAM settings
 - Fusible link with automatic shut-off for safety
- 360 degree swivel casters for mobility
- 24 hour repair service available
- 230 Volt units available upon request at no extra charge
- UL, CSA, NOM, ANCE, TUV/GS and CE listed
- Made in the USA
