## Koala LIMITED WARRANTY

This warranty protects against manufacturer's defects in the workmanship and materials of certain components in your Koala sewing cabinet.

A 12-month limited warranty applies to all components related to the individual parts incorporated into the Koala cabinet frame, hinges, castors and handles. The lifter carries a limited 24-month warranty. This warranty is limited to the original owner of the Koala cabinet. The warranty includes the renewal or replacement of any parts that become defective during the warranty period through normal use. This warranty applies only to defects in the components listed above and all components that are found to be defective will be, at the manufacturer's option, repaired or replaced at no charge provided they are returned as described below. In addition, incidental and consequential damages resulting from a breach of this warranty or any implied warranty are excluded to the extent permitted by state law.

In the event you discover a defective component, return the defective component and the original receipt or other acceptable proof of purchase to us. We will then provide you with a replacement component free of charge within a reasonable period thereafter. You will be responsible for all freight charges in connection with delivering the defective component to us, and to the extent permitted by applicable law, any labor charges that may be applicable. We will pay all freight charges in connection with delivering replacement components back to you.
