

Introducing our newest cabinet, model number 8300, the

Quilter's Cloud 9

Our model 8300 is the only cabinet with no square corners on the desktop.

Why?!

- Rounded edges and no corners reduces drag on materials for a smooth work flow.
- The 4-drawer pod sets out to allow easy access to the drawers.
- Bi-fold doors for fewer obstructions.
- Our famous electric lift (with optional Auto-Stop sets flatbed position for easy insert and extends warranty to **five years**).
- 27"x12.5" opening for larger sewing machines.
- Fold away leaf so the cabinet stores easily against a wall.
- Module holder option.
- Internal embroidery hoop holders.
- Measures 59 1/4" wide by 49 1/2" deep with leaf up (34" deep with leaf down) by 30 1/2" tall.
- Inserts available for almost any machine.
