

# SINGER | Legacy™

## Model C440 Sewing Machine

Feature	Benefit
<b>200 Built-In Stitches</b>	The right stitch for any project! Basic Stitches, Stretch Stitches, Decorative Stitches, Satin Stitches, Elongation Stitches, Quilting Stitches, Heirloom Stitches and a variety of Buttonhole styles.
<b>OneTouch™ Stitch Selection</b>	Most basic stitch patterns are selected with a simple touch of a button.
<b>Alpha-Numeric Stitches, Plus Memory</b>	Personalize projects with built-in lettering. You can even combine lettering and decorative stitches to create custom stitch sequences.
<b>LCD Touch Screen</b>	Your selected stitch is displayed on the LCD screen. Stitch adjustments can be viewed on screen while you make them, so you can preview your edits before you sew. Screen brightness can be adjusted as desired.
<b>One-Step Buttonhole with Underplate</b>	Buttonholes are sewn in one easy step. Place your button in the foot, and the machine sews a buttonhole perfectly sized for your button. The Underplate holds your fabric securely in place. Consistent results every time!
<b>13 Buttonhole Styles</b>	A wide selection of buttonhole styles from which to choose: Bartack, Keyhole, Round End, Decorative, Stretch and more.
<b>Thread Cutter Button</b>	Conveniently located, press this button to cut the top and bobbin threads - a great time saver.
<b>Start &amp; Stop Button</b>	Operate the machine easily without the foot control, if desired.
<b>Speed Control</b>	Sew at your own speed! Set it to sew slower for more detailed work or faster for long seams or free-motion sewing. Maximum sewing speed is 800 stitches per minute.
<b>3 STAYBRIGHT™ LED Lights</b>	See your sewing and embroidery area more clearly.
