Intuitive features help you spend less time adjusting, so you can spend more reminiscing.

SPACE TO CREATE

Let your creativity roam with a large working area featuring more than 12" (310mm) to the right of the needle and over 5.5" (140mm) in height for big and bulky projects.

POWER THROUGH ANYTHING

Sew through heavy fabric and multiple layers with superior electronic needle piercing power.

ENJOY FLAWLESS THREAD FEED

The *deLuxe*™ Stitch System offers the perfect thread feed no matter the thread and fabric used. Spend less effort on machine adjustments and get high quality results with automatic thread portioning or thread tension sensing.

GET COMFORTABLE

With an intuitive ergonomic design, increased machine stability and a large 10.1" (217x136mm) tablet-like capacitive touch screen, the DESIGNER RUBY™ 90 sewing and embroidery machine is built for your comfort.

Enjoy Automatic Threading

With one touch of a button your needle is threaded and ready to start stitching.

Larger Than Life Designs

Embroider larger projects with the included DESIGNER™ Imperial 360x260mm hoop or the industry's largest optional 360x350mm DESIGNER™ Majestic Hoop.

Go Big with the Telescopic Thread Stand

Work with larger thread spools without the bulk of additional accessories with our built-in telescopic thread stand.

A World of Possibilities

The large 10.1" (217x136mm) capacitive touch screen enables you to easily customize your designs, follow guides and connect to *mySewnet™* using tablet gestures like swipe, pinch and spread.

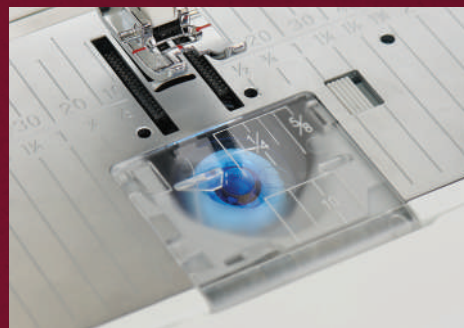

Step Into the Spotlight

Developed by optronic experts using revolutionary LED technology, the work area lighting allows you to see stitches in true color with virtually no shadows and are easily accessed with buttons on the front of your machine.

Perfect Fabric Feeding Every Time

The EXCLUSIVE SENSOR SYSTEM automatically and continuously senses and adjusts for any fabric thickness from top to bottom for perfectly even feeding.

Sew for Longer

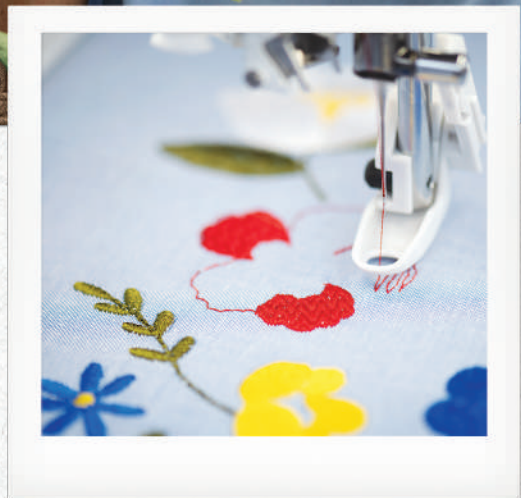

With larger* bobbins you can sew for longer periods of time without interruption.
