This charming Napkin Ring was made using the Free Presser Foot Kit that comes with the machine! Find instructions on www.husqvarnaviking.com.

The EDEN ROSE™ 250C sewing machine offers many beautiful decorative stitches as well as alphabets. Using a Twin Needle adds an extra dimension of detail.

We are all mesmerized by the exquisite details and colors of the flower of all flowers - the rose! Garden walls and trellises are no match for these vigorously climbing roses. Just like the rose itself, the EDEN ROSE™ sewing machines bloom with special built-in features which allow you to climb to new sewing heights.

TIP! Use the Gathering Foot to make accessories in no time!
