

# Need for an Overlock Machine

Did you know we carry professional overlock machines designed for the home sewer that will trim, stitch, and overcast your seam in half the time?

## IS THAT ALL IT DOES?

**PROFESSIONALISM** If you want to sew and create professional seams and finishes like readymade garments.

**SPEED** HUSQVARNA VIKING® overlock machines sews and finish a seam in half the time compared to your sewing machine.

**VERSATILITY** HUSQVARNA VIKING® overlock machines are versatile and can be used on woven, knit, and many other types of fabrics.

**SEAM FINISH** Finish edges of pressed open seams and hems to prevent fraying.

**DIFFERENTIAL FEED** Feeds knit fabrics without stretching or rippling and provides a smooth seam on lightweight fabrics that tend to pucker.

**STRETCH** A seam sewn on an overlock machine is as stretchy as the fabric it is sewn on.

**COVERSTITCH** Chainstitch and Coverstitch finishing and topstitching provides a far more elastic stitch than sewing on your sewing machine.

**DECORATE** Decorating on crafts, jackets, and other garments are made using a variety of threads, yarns, and ribbons in the loopers. There are many different techniques used to embellish garments for a fashionable and unique wardrobe.

**GATHERING** Shirring light and medium weight fabrics is easily and evenly done for home decorating, adding ruffles, or gathering a skirt. It is twice as fast and adjustable too!

**QUILTING** Piecing is done quickly and finishes neatly on the reverse side for those projects not being layered and quilted.

**AND MORE!** There are optional accessory feet and decorative threads to use. Specialty techniques are limited only by your creativity!
